## *A Garden for Every Home*

**WE** present for your consideration our offerings of bulbous material, foreign and domestic, contracted for by us from specialists on each particular item. It is our opinion that better quality cannot be procured at any price.

To those who have ordered from us in the past—we have customers who have done so every year since our first bulb catalogue went out in 1918—we extend sincere thanks; to those in receipt of this catalogue for the first time we offer the best material available coupled with our sincere desire to please.

—  
Please place order as early as possible.  
—

### **BUSINESS TERMS**

Prices quoted are net 30 days and all goods are offered subject to being unsold on receipt of order. Shipments travel at the purchaser's risk after they are in the hands of any common carrier.

If your name is not on our books, may we request that you kindly furnish us with satisfactory references for credit.

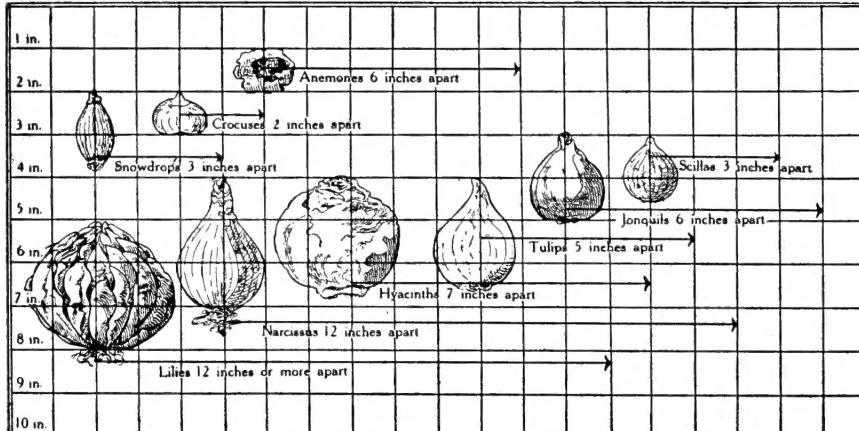

To secure consideration, all claims should be made immediately upon receipt of merchandise.

**We reserve the right to change prices quoted herein if necessary. All prices are F. O. B. New York.**

### **NON-WARRANTY**

We give no warranty, express or implied, as to the productiveness of any seeds or bulbs we sell and we will not be in any way responsible for the crop. Our liability in all instances is limited to the purchase price of the material only.

We Supply in Every Instance, Top-sized Bulbs Only

Narcissus Incomparabilis Croesus

## Narcissi - - Daffodils

At the International Flower Shows in New York City in March, 1933, and in March, 1934, we received Gold Medal Awards for our Narcissi Exhibits, displaying over 200 varieties in each exhibit.

**Prices quoted are for selected top size mother bulbs only. Some varieties are limited in number, therefore, early ordering is suggested.**

The classification of the Royal Horticultural Society, which is as follows, is used:

1a-Yellow Trumpets.	4b-Leedsi with a small crown
1b-White Trumpets.	5-Triandus Hybrids.
1c-Bicolor Trumpets.	6-Cyclamineus Hybrids.
2a-Inc. with yellow perianth.	7-Jonquils.
2b-Inc. with white perianth.	8-Poetaz.
3a-Barri with yellow perianth.	9-Poeticus.
3b-Barri with white perianth.	10-Double varieties.
4a-Giant Leedsi.

Large Trumpets and Short Cups (D. N.)....	70.00
Large Trumpets and Short Cups (Round)....	50.00

## Choice Lawn Grass Mixtures

The result of many years of intensive study has enabled us to improve our mixtures greatly. Our superior strains are recognized by their closer growth and improved color throughout the year. During dry periods and adverse conditions they show a remarkable resistance.

For new lawns we recommend sowing 200 lbs. to the acre. For renovating lawns use half of this quantity.

### “SEALEY’S SPECIAL” LAWN GRASS MIXTURE

Our Special Lawn Grass Mixture is composed solely of the finest and heaviest seeds in the following varieties, carefully blended according to our own formula. **Chewings Fescue, Kentucky Blue Grass, Fancy Red Top**, 25 lbs. \$25.00, 100 lbs. \$90.00.

### PARK LAWN MIXTURE

A well-tried mixture of high grade grasses that is still desired by many. 25 lbs. \$16.00, 100 lbs. \$60.00.

### SHADY PLACE LAWN MIXTURE

This mixture is composed of grasses that are naturally adapted for growing under trees and shaded situations. 25 lbs. \$25.00, 100 lbs. \$90.00.

### LAWN RESTORING MIXTURE

A mixture of grasses suited to take firm hold and grow quickly on hardy, worn out or burned spots. 25 lbs. \$22.00, 100 lbs. \$80.00.

### LAWN TENNIS MIXTURE

Composed of fine-leaved, deep rooting grasses that will produce a fine, close, elastic turf. 25 lbs. \$22.00, 100 lbs. \$80.00.

### TERRACE MIXTURE

A mixture of deep rooting grasses suited for terraces and embankments, that takes firm hold and withstands drought and exposure. 25 lbs. \$22.00, 100 lbs. \$85.00.

### FAIR GREEN MIXTURE

Composed of dwarf spreading grasses, forming a close, velvety surface that improves from year to year. 25 lbs. \$22.00, 100 lbs. \$85.00.

### PUTTING GREEN MIXTURE

This mixture consists of most suitable grasses for insuring a close dense turf, essential for putting greens. 25 lbs. \$30.00, 100 lbs. \$110.00.

### SPECIAL MIXTURE FOR HAY AND PERMANENT PASTURE

These mixtures include the most nutritive and productive grasses suitable for laying down light, medium and heavy soils to permanent grass. State nature of soil when ordering. 25 lbs. \$16.00, 100 lbs. \$60.00.

**All F.O.B. New York**

*Prices subject to change.*

## *Pot-grown Strawberry Plants*

For best results pot-grown plants should be planted from July 20th to September 1st.

By exercising care in the selection of varieties, provision may be made for fresh Strawberries from early Summer until late Fall. For the home garden at least three varieties should be planted—one of which should be an early sort, another a mid-season sort, and one a late fruiting variety.

### EARLY VARIETIES

100

<b>BLAKEMORE.</b> Originated by the U. S. Department of Agriculture. Berries are bright, light red, flesh firm, solid center, excellent flavor.....	\$12.00
<b>DORSETT.</b> A recent introduction which is positively destined to lead the commercial field as an extra early Strawberry. Large, bright red berries of perfect quality	12.00
<b>MISSIONARY.</b> Large, firm, will hold their size throughout the year.....	12.00
<b>PREMIER.</b> One of the best of the extra early varieties. Produces, in large quantities, berries of good size, attractive appearance and excellent quality.....	12.00
<b>RED STAR.</b> Large, solid red clear through. Heavy producer; U. S. Government variety.....	12.00
<b>ROYAL SOVEREIGN.</b> Early to midseason. Excellent for forcing under glass, also good for June bearing outside.....	15.00

We ship out Strawberry Plants (pot grown)  
like this early in August.

## STRAWBERRY PLANTS—Continued

## MIDSEASON VARIETIES

100

<b>CHESAPEAKE.</b> One of the most popular midseason varieties, appealing equally to the eye and to the taste. The bright red berries are large, regular in form and size and of excellent flavor.....	\$12.00
<b>FAIRFAX.</b> Another recent introduction, and one which cannot help assuming the leadership of the home garden as a second early berry. Its flavor is even richer than that of Dorsett, and the berries are slightly larger and very firm.....	12.00
<b>HOWARD NO. 17.</b> A remarkably strong growing second early. Berries large, beautiful and of superlative quality.....	12.00
<b>JOE.</b> This most valuable variety ripens just after "Chesapeake," equals it in size, firmness and yield, and surpasses it in color and flavor; succeeds upon almost all soils.....	12.00
<b>NORTH STAR.</b> Very large, firm, and attractive.....	12.00

## LATE VARIETIES

100

<b>GANDY.</b> A popular, late fruiting variety, large, bright crimson fruit.....	\$12.00
<b>LUPTON.</b> Very much like Gandy, but much more productive and about five or six days earlier. We consider this one of the very finest of the varieties fruiting late.....	12.00
<b>STARBRIGHT.</b> Originated by the U. S. Department of Agriculture. Regarded as one of the finest varieties ever introduced. Large, glossy red berries, superb flavor, uniform size over a long bearing season.....	12.00

## EVERBEARING STRAWBERRIES

In addition to bearing a good crop in late Summer and Autumn, they also produce heavy crops of fruit as early as June. In order to be sure of a good Fall crop the blossoms should be removed from the plant as they appear from the first to the middle of July.

<b>GEM.</b> This Everbearing Sensation produces sparkling red berries uniformly large in size. They are solid red to the center, juicy, deliciously sweet and very free from acid.....	100
<b>MASTODON.</b> This is truly the largest, most delicious and heaviest yielding of all Everbearing sorts. It out-yields some of the finest June bearing sorts during their season, and continues to produce throughout the Summer and Fall berries of amazing size and surpassing quality.....	16.00
<b>BRUNES MARVEL.</b> Recommended as the best of its type. Produces large berries, very sweet and free from acid.....	18.00
<b>(Inquiries for varieties not listed will be appreciated)</b>	

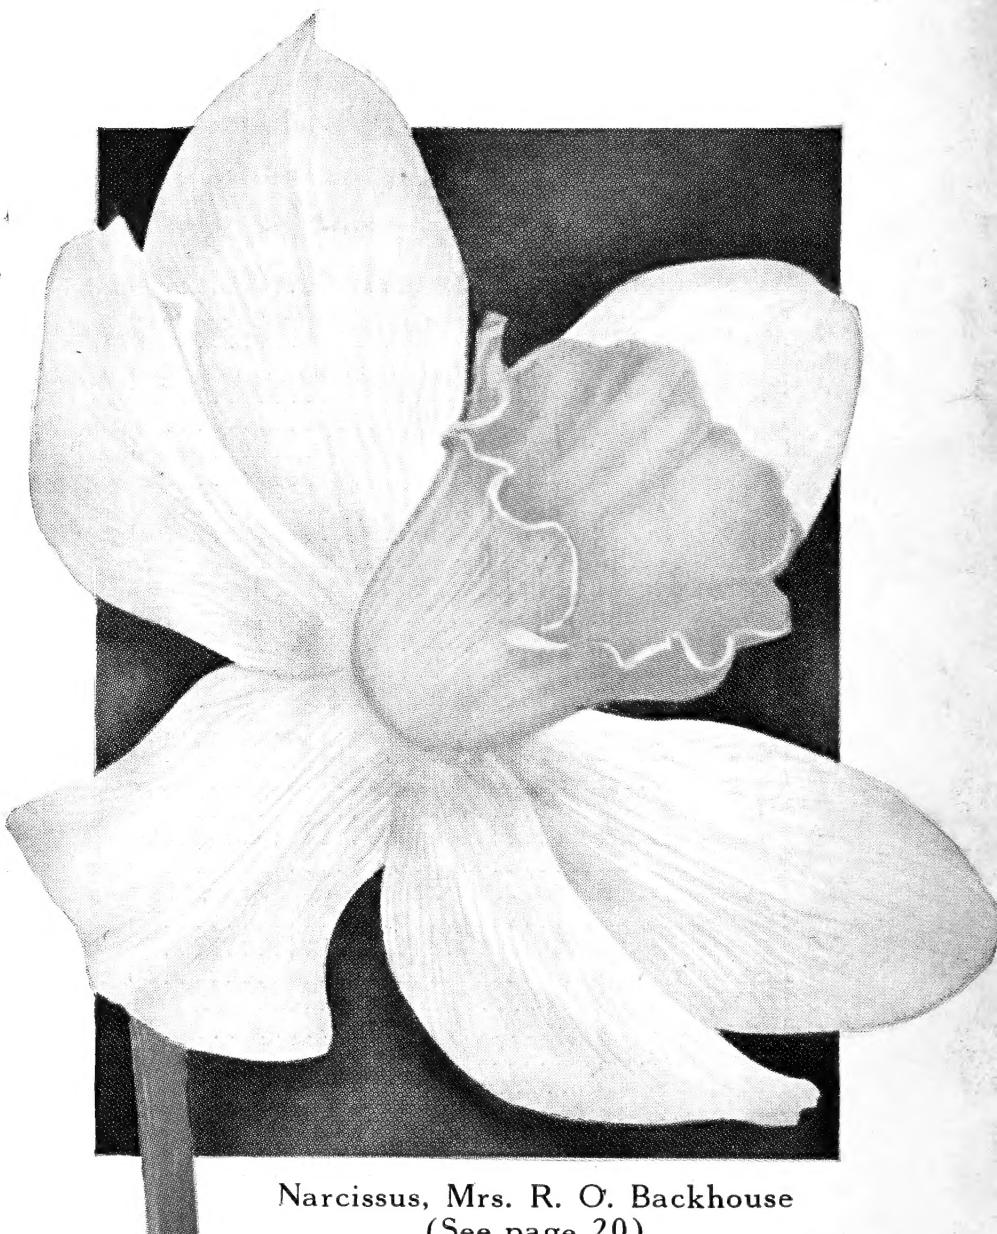

We have always specialized in Choice Plants, Orchids, Palms, etc. for greenhouse. Rare and unusual subjects for inside or out are a specialty with us.
